ABOUT THE SHAPER

Bridging Vietnam Manufacturing with North American Market Expectations

After a decade of hustling, the theShaper team has specialized in Vietnam's furniture, cabinetry, bathroom vanity, and building materials industries, supporting U.S. and Canadian buyers with reliable manufacturing solutions.

theShaper serves as the North American sales representative and market consultant for Nha Vinh Wooden Furniture Company Limited, connecting buyers with trusted manufacturing partners known for stable quality, transparent communication, and on-time delivery.

We help reduce sourcing risk through industry experience, production coordination, and market-focused execution.

ABOUT NHA VINH WOODEN FURNITURE

Established 2019

Founded in Binh Duong Province, Vietnam, with a vision to deliver premium wooden furniture to global markets including North America.

40,000 m² Facility

State-of-the-art manufacturing facility equipped with advanced automation machinery and dedicated stone fabrication capabilities.

580+ Skilled Employees

Highly trained workforce of craftsmen and specialists dedicated to quality production of bathroom vanities, cabinets, and accent furniture.

150 Containers/Month

Robust production capacity enabling reliable, high-volume delivery to meet the demands of North American retailers and distributors.

Advanced Automation

Continuous investment in cutting-edge machinery and technology ensures precision, consistency, and efficiency across all production lines.

OEM/ODM Excellence

Strong manufacturing support for custom solutions, private label production, and ongoing product development partnerships.
