SHAKER CABINET FEATURES

We provide affordable factory direct all wood cabinets of the highest standard and quality.

Custom cabinet quality with certain features common in every unit:

9 Every drawer has quality
dove tail construction

9 Simple removable drawers
for easy cleaning

9 No particle board anywhere!

9 Soft closing drawers and doors

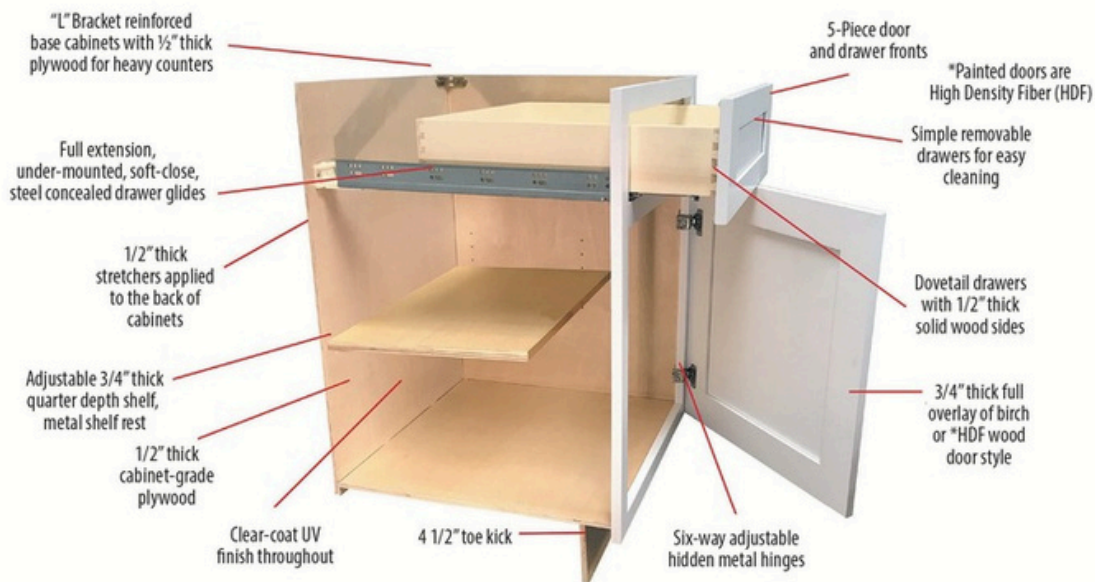

9 L-Bracket reinforced cabinets for
heavy granite, cement or other
stone tops

To clean the cabinets, simply use dish soap and a soft wash cloth. Avoid abrasive sponges or harsh chemicals to maintain the cabinet's finish. Any damages or defects due to the use of abrasive sponges or chemicals other than dish soap will not be covered under our warranty.

CUSTOM COLORS AVAILABLE

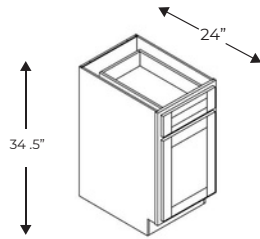

Our custom-painted cabinets are meticulously crafted by a skilled team with years of expertise, offering unmatched beauty, quality, and durability. We take pride in delivering personalized results tailored to your vision. With our custom paint options, the possibilities are truly endless. You can select from an extensive range of Sherwin Williams or Benjamin Moore paint swatches. We keep some of the most popular paint colors on-hand (pictured above), so you can deliver faster without compromising on style. Once you've made your selection, our expert paint technicians will bring your vision to life with precision and care. Contact us for detailed pricing information and current lead times.

Reminder: Order End Panels for Exposed Cabinet Ends For any cabinets with exposed sides, you must order matching end panels to ensure a clean, finished look. This applies to base, wall, and tall cabinets in both kitchen and bath designs. End panels are not included by default and need to be added to your order separately.

CUSTOM FINISHES & COLORS

HG = High Gloss SM= Super Matte

Our in-stock cabinet colors are designed for fast project turnarounds, keeping jobs on schedule without sacrificing style or quality. These finishes give you dependable availability when timelines matter most.

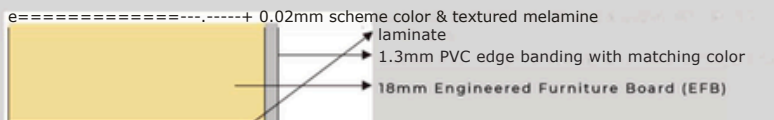

For builders, designers, and homeowners looking for more personalized cabinets, we also offer a wide range of custom colors available in both high-gloss and matte finishes. From bold modern tones to subtle, sophisticated neutrals, our custom selection lets you create a look that's truly unique without compromising performance or durability.

MATERIALS FACTS

Our Ready-to-Assemble cabinets are built with advanced, durable materials made for real-world use. They feature moisture-resistant, acid- and alkali-tolerant panels that stand up to humidity, spills, and daily wear.

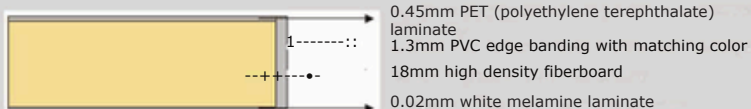

The high-gloss, vivid finishes won't fade or discolor, ensuring perfect color consistency across every door. Surfaces are antibacterial, safe for direct food contact, and easy to clean, making them both beautiful and practical.

All materials are EPA compliant, giving you a healthier, low-emission cabinet solution that delivers durable performance with a clean, modern look.
